VALUES

CHARACTERS

THE HEROINE

SARDINE & THE CAT

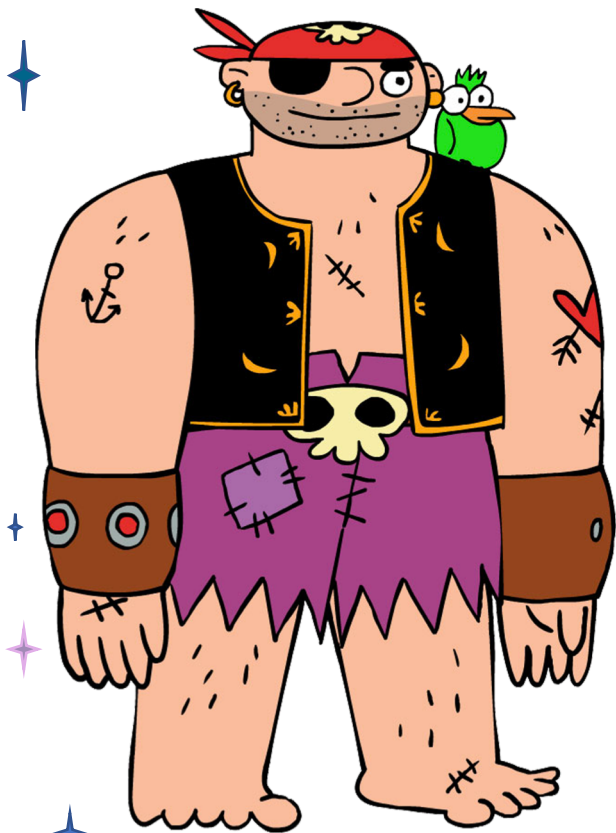

Sardine is a **brave heroine**, with the energy of 10 kids and the rocket-quick intelligence of a little girl. **She is invulnerable!**

The cat nested in her hat is simply called “the cat” and his job is to announce the end of each episode by meowing “End”.

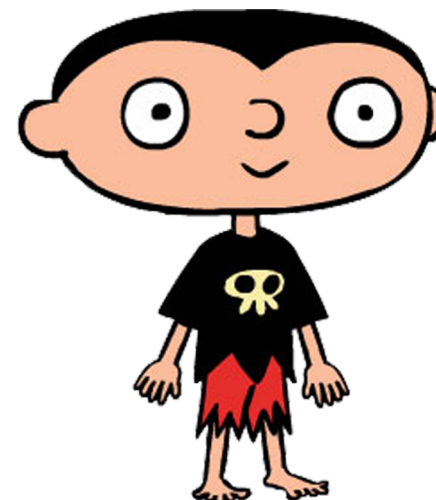

CHARACTERS

THE GOOD GUYS

CAPTAIN YELLOW SHOULDER

Concealed behind his ill-kept macho man appearance, The Captain is in fact more like a **tender oversized kid**. He is like a **sweet “Uncle”**, which is how most of the youngest call him.

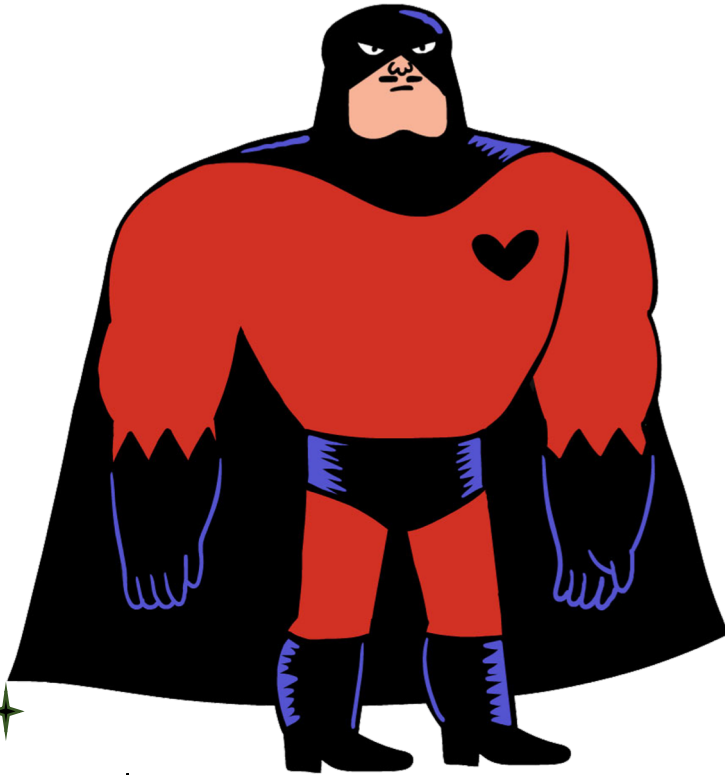

LITTLE LOUIE

He is the typical **young boy** who loves to eat, laugh and relax with his pals. But when Sardine and Uncle Yellow Shoulder need his help, **he immediately jumps into action !**

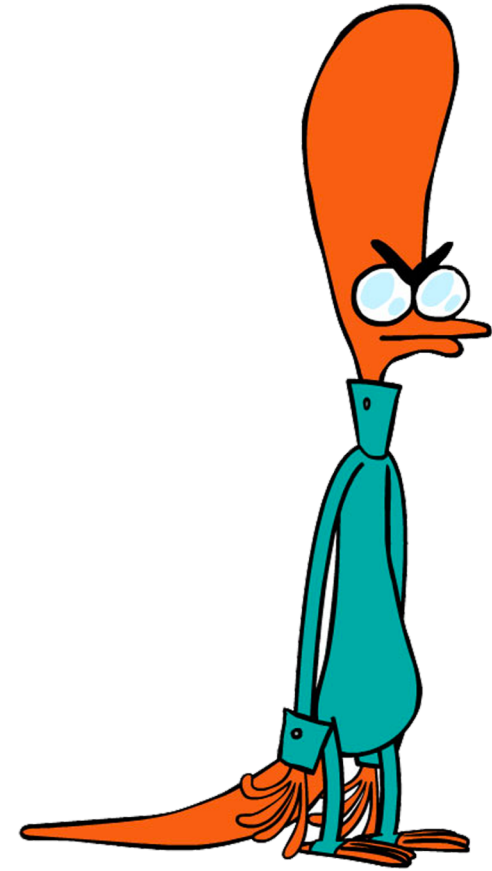

CHARACTERS

THE BAD GUYS

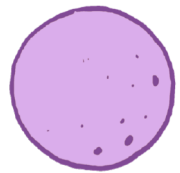

SUPERMUSCLEMAN

Supermuscleman officially calls himself the “**Chief Executive Dictator of the Universe**”, but our heroes think he has in fact cauliflower for brains. His ambition? To be super nasty of course!

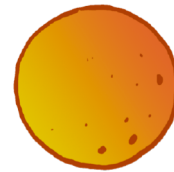

DOC KROK

This orange hydrocephalic lizard is an utterly **mad inventor** who thrives in the shadow of Supermuscleman.
