## Dreamland

One of the most iconic French manga becomes an anime!  
Discover a world where you will learn to overcome your fears!

Ever since his mother died in a fire, Terrence has secluded himself in an emotionless world. He goes through his daily teenager life apathetically... with one exception! The simple sight of a flame plunges him into a world of fear, an awoken version of his nightmares – for, every time he falls asleep, he helplessly relieves the tragic event, thus rekindling his pyrophobia. Until that one night he can't bear it anymore and stops running away from the devilish flames.
